

Hosted Exchange
Mailboxes are
now a massive
125GB!

Industry leading business

With over 450 million users globally, Hosted Exchange is the most popular messaging platform for business in the world. Our Hosted Exchange solution has been tailored to provide an exceptional service for you.

As part of this commitment, we've increased the storage limit of all Exchange mailboxes, making them among the largest available anywhere in the UK. You can now take advantage of an enormous 125GB per mailbox, across all your devices.

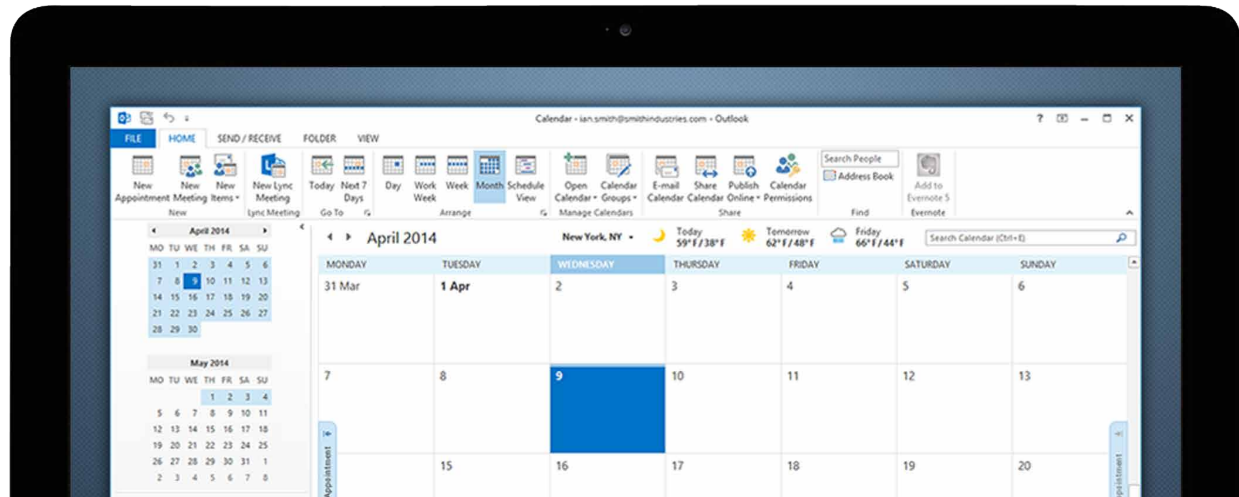

By choosing Hosted Exchange you're choosing the very best:

- ✓ Reduced IT infrastructure costs
- ✓ Instant deployment
- ✓ Enhanced security
- ✓ No upgrade or repairs
- ✓ Exchange 2013
- ✓ Massive 125GB per mailbox
- ✓ Mobile email 'push' technology
- ✓ Shared calendars and contacts

Big. British. Best.

At a massive 125GB, our Hosted Exchange Mailboxes are the largest around, meaning you can enjoy even more storage space, across all your devices.

And with ongoing concerns about data privacy, it is now more important than ever that your data is hosted firmly within the UK, by a company you can trust. With hosted Exchange, you can be certain of that.
